

## GREENWICH BOSSES WON'T LET WOMEN INSURGENTS VOTE

The Regular Republicans Elect  
a Chairman and Nominate  
Their Ticket at Caucus.

(Special to The Evening World.)  
GREENWICH, Conn., Sept. 8.—Seven-  
teen women who wanted their jeweled  
hands counted during the vote for  
chairman of the town Republican caucus  
last night found the Regular element,  
directed by Judge James F. Walsh and  
R. Jay Walsh, against them.

So a lot of marquisse rings, plain gold  
bands and solitaires that flashed ap-  
proval for Thomas H. Rosbottom, can-  
didate of the Young Men's Republican  
Club, otherwise the Insurgents, did not  
show in the final count, which resulted  
in the selection of Wilbur S. Wright,  
no kin to the flying machine man, but  
a law partner of the other machine  
man, R. Jay Walsh.

There are eighty women in town who  
have the right to vote. Forty-eight of  
them enrolled for the caucus and seven-  
teen of them insisted on voting all  
along the line. Whitman S. Mead, who  
called the caucus to order, told them  
he had been advised by the Attorney-  
General that in caucuses where other  
than school officers were to be named,  
the women couldn't vote for chairman.

There are 600 votes in the town.  
Special trustees and automobiles brought  
not only these 600, but 400 more residents  
to the Town Hall, which couldn't hold  
the crowd.

The Regulars, headed by the Walsh

oult, had a list of thirty-two candi-  
dates. It was apparent that the usual  
course of making a speech over each  
candidate would land the meeting well  
into to-day and the oratory was capped  
by mutual consent.

In order that the women might not  
have to remain after midnight, the clerk  
took the ballot box over to one corner  
so the seventeen could vote early, and  
they discharged their suffrage duty un-  
der courtesy and went home.

Today the women who voted in vain,  
because Henry Dayton and George Car-  
michael, whom they wanted for school  
Commissioners, did not get nominated.

The Regulars won, nominating their  
slate by 34 to 246, a majority of 112.  
Among the Insurgents were many  
prominent New York business folk who  
live at Greenwich, led by Duncan Ed-  
wards and Perry Adams. They in-  
dorsed four candidates on the Regular  
slate, among whom was Mr. Mead, who  
called the caucus to order and ruled  
with the Regulars on the woman ques-  
tion. The election is the first Monday  
in October.

### NOTED BANKER BEHIND GREAT SMUGGLING PLOT?

Customs Men Say Case Is Even  
More Important Than Those of  
Allen and Collins.

Nathan Allen, the multi-millionaire  
leather manufacturer of Kenosha, Wis.,  
and John R. Collins, president of the  
Southern Coal Company of Memphis,  
Tenn., indicted for smuggling, conspi-  
racy and fraud, will probably be ar-  
ranged here within a week. They are  
now in Chicago.

According to customs officials, a third  
person of importance in the coming re-  
velations is a banker of great wealth.  
His name is withheld, but he is declared  
to be the arch conspirator through  
whom goods of enormous value have  
been smuggled into this country.

The banker, it is alleged, undertook  
to arrange smuggling frauds for rich  
individuals on the condition that they  
became customers of his financial con-  
cerns.

It is said no compromise will be con-  
sidered in the Allen and Collins cases,  
and that District Attorney Wise will  
ask prison sentences if they are con-  
victed.

## Restored to Health

MRS. JAMES CRAVEN

The body building and nour-  
ishing qualities of Duffy's  
Pure Malt Whiskey restored  
a very sick woman to the  
best of health. It will do  
the same for you if you will  
give it a chance.

She recently wrote: "I am a  
regular user of Duffy's Pure Malt  
Whiskey and I have derived much  
benefit from its nourishing qual-  
ities. It is the greatest tonic and  
stimulant I know of for weak sys-  
tems. I was very sick some time  
ago, but owing to this elixir of life,  
I am enjoying splendid health at  
present. I should have written  
sooner and thanked you for the  
good your whiskey has done and  
is doing for me. It is the real  
medicine of the American people."  
Mrs. James Craven, Waltham,  
Mass.

### Duffy's Pure Malt Whiskey

STANDARD OF PURITY AND EXCELLENCE SINCE 1860  
If every man and woman in the United States would only ap-  
preciate what this great family medicine does toward building up  
the system, driving out the disease germs by strengthening the digestive  
organs and quickening the circulation so as to prevent a cold or other  
form of congestion from becoming deep rooted, ninety per cent. of the  
illness would be avoided. When people get sick they blame different  
causes, but if they would only stop and think the chief cause is the  
system is allowed to run down; the blood becomes thin, the digestive  
organs are not strong enough to do their work properly, the tissues  
become weakened, the kidneys are unable to carry off the waste  
matter. The result is pains, aches, and all kinds of troubles. Just  
give your system a chance; build it up by taking Duffy's Pure Malt  
Whiskey as directed; it will build new tissue, help the stomach digest  
the food, strengthen the heart action, enrich the blood and invigorate  
the body, brain and nerves.

Duffy's Pure Malt Whiskey is the only whiskey that was taxed by  
the Government as a medicine during the Spanish-American war.  
Sold in SEALED BOTTLES ONLY by druggists, grocers and dealers, or direct,  
\$1.00 a large bottle. Our doctors will send you advice free, together with a valuable  
illustrated medical booklet on request. The Duffy Malt Whiskey Co., Rochester, N.Y.
